

Building Fund Donation Nomination Form

Saint Francis de Sales College has a Building Fund; contributions to this fund are on a voluntary basis and are therefore tax deductible. The College has spent in excess of \$5 million on new buildings and facility developments since 2008 and in 2014 a Trade Training Centre will be built with funds from a Government Grant.

The College would also like to continue further facility developments that are dependent on donations from our community. Please nominate the project you wish to donate to and return this authority form for processing. Commencement is dependent on sufficient funds being donated. Families who donate will be acknowledged on a Donation Wall to be established once projects have been completed.

.....
I wish to nominate my financial support for the following project/s

Junior School R-5

New verandah and decking, shade area with seating.

Total cost approximately \$35,000

Middle School 6-9

Shade area near McAuley Building, with café style seating.

Total cost approximately \$35,000

Senior School 10-12

Replace old play area with decking, garden and café style seating and outdoor gym equipment.

Total cost approximately \$35,000

General Building Fund

Funds will be donated towards the commencement of a multi-function Gymnasium/Hall in 2015

All donations will be acknowledged with a letter for taxation purposes in July annually. A Donation Wall to acknowledge all donors will be included in the Gymnasium/Hall development.
