Sacramental Program Family Session 6.30pm, OLOM

Friday 24 February
2/3R and 1Y Swimming 1.00pm
2/3B and 1B Swimming 1.45pm

Please refer to the College website calendar for whole term overview and key dates.

From the Principal

From the College Captains

Hello Louis and Darcey here, your 2017 College Captains. Behind us, we have a supportive team of teachers, prefects, and house captains to share responsibilities with and collaborate our plans and aspirations for the school.

As College Captains we will endeavour to encourage and support the students, inspire confidence and initiative among them, as well as lend our ears to their ideas and concerns. In 2017 we aspire to make sure that each and every student feels accepted and is given every opportunity to excel and reach their goals. We look forward to a challenging but eventful year.

This week’s Gospel from Matthew invites us to be the salt of the earth and a light to the world. It is a fitting scriptural reflection as we celebrate a great start to the College year. Parents, be very proud of the high standards you have set for your children, who come to school each day dressed for success and ready to learn.

A very special welcome to our new families who have settled in so well and it is great to see the myriad of smiling, happy children lighting up our community. This year we are focusing on our heart value of Wisdom. This
encourages making time for deep thinking and reflection ensuring that we look at important issues from a range of viewpoints.

As this is my last newsletter to you, I thank you all for the many rich and varied contributions you make to this great community. We have much to celebrate and much to build upon. In 2016 we gained our best SACE results ever; almost all our students received their first preferences for university studies and our new College Captains and Prefects have already met to start preparing for an even better year in 2017.

Our 4 years of planning for the gymnasium is advancing well through the planning and approvals stages, with exciting plans also being drawn up for new developments in Early Learning and a purpose built Junior School.

I thank all our students, staff and families for your support and know that you will support Sonia Nelson, and our new Principal for 2017, Gavin McGlaughlin as they immerse themselves in the wonder and wisdom of 2017.

With my best wishes and abundant blessings!

Pam Ronan
Principal

Student Success

College Dux 2016

Achievement comes at different levels. The best advice I can give to future Year 12 students at St Francis de Sales is to find your passion and stay focused on what you want. There will be a million people telling you what you should or should not do with the rest of your life, but in the end, you’re the only person who is going to live that life.

Year 12 is full of many different pathways and distractions —and it is incredibly easy to become overwhelmed by the workload – so it is important to identify your priorities and direct your effort to achieving what really matters to you. Use your class time wisely (trust me, you’ll be grateful for the extra free time without homework), and use your teachers, because they can be an incredible asset if you simply let them. Identify the spaces in which you work best – in study periods at school or at home, with friends or alone, outside or inside.

You’ll find that you’ll gain more freedom this year, and with it, more responsibility — nobody else is going to force you to commit to your learning anymore, only you can do that now. If you are ready to dedicate your concentration, time and effort, there is no reason that you can’t achieve great things in your final year of
Sonia Nelson
Deputy Principal

It is wonderful to see our students and families eager for great success this year. We have enjoyed a smooth start and everyone looks like they have ‘hit the ground running’, with great learning and relationship building evident in class and in other activities. Seeing so many parents at the Information Sessions this week was also indicative of the desire for parents to be in genuine partnership with our team and we look forward to working closely with you and the children you have trusted into our care.

We particularly welcome new families and staff to our community. Joining our St Francis staff are James Burrows (MS/Maths/Science/PE), Ann Fenton (Maths), Olivia Couch (HASS/RE), Sam Sachse (Youth Minister), Claire Cooper (Literacy Support/ATSI Teacher) and Rebecca Hida (ATSI Teacher).

Very special thanks and our best wishes to Pam Ronan as she begins her new position at the Catholic Education Office for 2017. We are deeply grateful for her vision, energy and wise leadership over the years and know that, although missed at our College, will be a great asset in our Catholic sector.

My prayers and best wishes to you all for an AWESOME 2017 experience at St Francis de Sales!

Sonia Nelson
Deputy Principal

In 2017, I am taking a break from study in order to work part-time and decide which university degree I want to apply for in 2018. My greatest strengths in Year 12 were chemistry and biology, and I would love to pursue a career in environmental science.

Ellie D’Angelo
College Dux 2016

2017 South Australian Certificate of Education – SACE results

Congratulations to all our students who achieved their SACE in 2016. We had another successful year of completion and the results are testimony to the commitment of the students, families and our staff.

In 2016 9% of students achieved an ATAR (Australian Tertiary Admission Ranking) of 90 or above, placing them in the top 10% of the state, with 30% of students achieving an ATAR of 80 and above. The DUX for 2016 was Ellie D’Angelo, who achieved the highest ATAR ranking of 96.95. Through diligent application 19% achieved 3 or more A grades and 54% achieved 1 or more As in their subjects.

It is also timely to acknowledge all students for their effort and application as the perseverance and resilience needed to complete their final year is valued and demonstrates the diligence required to successfully complete their Certificate. We wish all our now ‘old-scholars’ every success in the future.

Ros Mattner
10-12 Learning and Accountability Leader and SACE Coordinator

Congratulations to our St Francis de Sales College students Ky Matthews-
Greetings and welcome to our new College year, focused on the Heart Value of Wisdom. I trust that you had an enjoyable restful break and had the opportunity to spend time with your family during the Christmas season.

This year marks the 450th year since the man St Francis de Sales was born, so it is a very special celebration for our College. The staff were fortunate enough to acknowledge the Feast Day of St Francis on the actual day (24th January) with a Mass combined with the staff of our neighbouring schools, St Catherine’s School at Stirling and St Joseph’s School at Murray Bridge. In 2017, our College will place a particular focus on the life and story of St Francis de Sales and College Day in August will portray this explicitly.

Well, there is a great deal happening before August! This term we began the scholastic year with a whole-school Mass celebrated by Fr Richard and as you read this article I will be with the Year 12 cohort on their three day Retreat at Victor Harbor. The theme of the retreat is based on our Wisdom Heart Value and comes from the book of Proverbs in the Bible: “How much better to gain wisdom than gold; to gain insight rather than silver.”

Very soon we will be beginning Lent with an Ash Wednesday liturgy, marking the beginning of our Caritas Project-Compassion launch. This year’s Project Compassion theme is “Love your Neighbour”. All classes will be encouraged to plan and run a fundraising activity for this, to support the very valuable work of Caritas. More information about this will be sent out soon.

We welcome a new member to our Religious Education Team, Sam Hampton, making his Australian Baseball League debut as a pitcher with the Adelaide Bite and is now off to the National Playoffs, the youngest ever pitcher to start a game in ABL history.

And to Dylan Hopgood who made the state U/17 Softball Team and has been selected in the Team of the Tournament to compete in Singapore.

From the Board

The Board warmly welcomes you and your family back into our community after what we hope was a restful and peaceful break. We also would like to welcome new families – we hope your first few weeks are settled and that both you and your children make some new friends.

2017 looks like being a year of change for our College – as you may know our Principal Pam Ronan is embarking on a one year secondment to a leadership role within Catholic Education. This will be a change for both Pam and for our College – and we wish Pam well as she embarks on this role.

In the last few years Pam has been working closely with Catholic Education to secure support for the ongoing growth and development of our College. We will soon be sharing information with you about some very exciting developments – but want to take this opportunity as a Board to thank Pam for all of the tireless work she has put into this huge project.

Acting in Pam’s role for the next 12 months will be Gavin McGlaughlin, who joins us from Mt Carmel College. Gavin will be commencing at the College in the next couple of weeks and we hope you take the opportunity to meet him and also welcome him to our community.

Board priorities for the year ahead are to focus on our College development and ensure our College grows with a strong Catholic identity. We are investing some time and effort into the Personal Responsibility and Anti-Bullying policy following feedback from lots of parents over the last 12 months. We have a number of parents working with us on
Sachse, who is our new Youth Minister. I look forward to working with Sam, who has extensive experience in facilitating retreats and working within parishes.

Keep well, and make the time to have at least 10 minutes of quiet reflective time each day; especially as the busyness and excitement of the term unfolds.

Oreste Farrugia
APRIM

R-6 Captains Maisie and Charlee.

Adelaide Hills Catholic Schools

Mass was celebrated on 24 January to mark the feast day of St Francis de Sales along with St Catherines and St Josephs communities

R - 3 Community

What a fantastic start to the year! We would like to extend a special welcome to all our new families. It has been great to see all the students so excited and positive about the new school year. It has also been wonderful to see so many families every day before and after school, as well as at the Parent Information Night.

There has been a strong sense of Community and Connectedness which we would like to continue to develop throughout the year.

some research into best practice, which we will then work into a draft policy. Once we have a draft we will be seeking parent involvement as we want as much input as possible into this very important issue.

We want to thank the teaching staff for the organized, planned and smooth start to the 2017 year. Each of us heard stories last week about how great the start was for children and parents alike. This doesn’t happen automatically – and we want to shine a light on the work teachers have put into this while we were all still happy holidaying! We have a number of teachers who have commenced new leadership roles in the College which is excellent to see and we wish them well for the year ahead. It does indeed take a village to raise a child – and we have an incredible village!

Enjoy your first weeks back!

Emily Jenke
Chair of the College Board

Parent Community Group

R-9 Parent Information Evening

It was wonderful to see so many parents attend out Information Evening on Tuesday evening. We appreciated your positive feedback. At St Francis de Sales our aim is to listen to our parents and we value working in partnership with families. To the Families who were unable to attend this evening, your personalised “Team around Your Child” contact card and parent Handbook will be sent home to you early next week.
We are looking forward to working in partnership with you and your child/ren to create a learning environment where everyone feels they belong and can ‘be who they are and be that well’.

Fran Nicholls
R-3 Community Leader

Michael Cimarosti
R-3 Learning and Accountability Leader

Parent Community Group
The focus of this group is to support and encourage parent participation in events and activities that build a flourishing, connected community and act as a consultative body in developing strategies and processes to support the learning and well-being of all children at the College.

All parents are welcome to attend future meetings. To register interest please contact Vanessa Grave, Marketing and Communications Manager on vgrave@stfrancis.catholic.edu.au

Meet and Greet Volunteers
Thank you to the ten parents who have volunteered to represent their child’s class, however more representatives are still needed. We encourage you to consider this important role. An induction session will be held in the next few weeks, regarding this role. More information will be communicated in Week 4 to the Meet and Greet Volunteers.

Events

Welcome Drinks
It was lovely to see many families join, Board Members and Staff for welcome drinks on Tuesday evening. The College deeply values being connected and privileged to be in partnership with families. Being connected strengthens our community spirit and makes us be the best we can be together. A warm welcome especially is extended to our 2017 new families.

Thank you to Darcey (College Captain),

4 - 6 Community

The first week back at school has been a very positive and engaging one for students in the 4-6 community. All students have settled very well into their new learning environments and staff have worked hard to ensure that their classrooms reflect the careful organisation and planning that has occurred over the summer break. In the coming weeks the 4-6 students will begin some diagnostic testing via the following tools:

- Literacy PRO Lexile system
- PAT Maths Testing
- Waddington Spelling

These tests will help provide teachers with some baseline data, which will assist their development of effective learning plans and relevant assessment tasks.

Rowan Thomas
4-6 Learning and Accountability

Rowsan Thomas

4-6 Learning and Accountability

Interested in becoming a Meet and Greet Volunteer?

Meet and Greet Volunteers are required to liaise with teachers and the College to ensure the children are happy and safe at school. Being a cycle of care, visits will be needed throughout the year. We ask volunteers to commit to a minimum of 1 year in order to establish relationships with students and their families.

Volunteering is a great undertaking in which to engage, and for your personal and professional development.

If interested, please email vgrave@stfrancis.catholic.edu.au and indicate which year level you are interested in volunteering for (e.g. 3-6, 5, 6).
The Year 7-9 learning community extends a warm welcome to our St Francis de Sales College families for the start of the 2017 academic year, especially the students and the families who are new to our College community. It was wonderful to see our Year 7, 8 and 9 students return ready to approach the beginning of the year excited and focused, with a strong sense of calm and purpose pervading all learning environments. Thank you to our dedicated and committed staff who have worked tirelessly in preparation for the arrival of all students and also to our families for the manner in which our students were incredibly well prepared and presented for school last Monday. There is much to look forward to, especially the education of each student around faith, life and culture and we look forward to working together in the spirit of partnership and community to achieve the best outcomes for our children and provide great opportunities for them to develop their full and unique potential. Our blessings and best wishes to all for the year to come.

Peta Bojanic
7-9 Learning and Accountability Leader

Jen Ness-Ferry
7-9 Community Leader

Staff News

Congratulations to Carol Jarell who has been invited by the South Australian Executive for the Australian Council for Educational Leadership (ACEL) to be on a panel at their next forum based on the concept of ‘wellbeing’. This will be held at Immanuel College on Thursday February 16th from 5:00-6:30pm. The theme of this specific forum is depression.

A guest speaker from Beyond Blue will be talking about depression and Carol Jarell (SFdS Student Counsellor and President of Catholic Schools Counsellor’s Association SA) will be the second guest speaker and talk about practical strategies to support students who suffer from depression.

Congratulations Carol on representing our College.
back at the College enjoying an awesome start. As we begin 2017, we aim for excellence in the pastoral care of each individual student. I have challenged our learning community to achieve success by working collaboratively to live out our 3 core priorities in meaningful ways.

1. Catholic Identity: In this year of Wisdom, we are challenged to be increasingly open to Jesus in our lives and to see ourselves within the rich story of St Francis de Sales College and the traditions of the Catholic faith, regardless of our background.
2. Learning: We are challenged to engage in rigorous purposeful learning and have pride and resilience in our work.
3. Wellbeing: We are challenged to live in ‘right relationship’ with ourselves, our families, friends and community. Have a positive mantra that will be life giving and sustaining.

Integral to this is the connected relationship of parents and students with the homeroom and subject teacher. The deeper the relationship, the greater the understanding and the more opportunity we have to achieve wonderful outcomes for your child. I look forward to working closely with you in 2017.

God Bless

Gerrard Doyle
Community Leader 10-12

General Information

After School Dance Academy
Commencing Term 1 Week 2 - Now on THURSDAY afternoons
3:30pm to 4:15pm in the Performing Arts Centre
Gold coin donation per class
Open to all SFdS students and their friends (children who attend other schools and colleges) from Reception to Year 5.
For more information please contact Mrs Peta Bojanic
pbojanic@stfrancis.catholic.edu.au

Chess - Years Reception to 11
Students can attend one lesson a week on Thursdays between 11am and 12pm
See parent portal on our website for details
$5.50 per lesson with a $15 work booklet

Communication
SFdS offers a range of communication channels to help our families stay connected.

ATSi

Indigenous Law man Paul Keili performed a Smoking Ceremony to cleanse the new Learning Centre space and welcome new students from Indigenous Families. We were also
fortunate to have Father Richard participate in this important ceremony.

Music

EXCITING NEWS FOR YEAR 2/3s

In Week 1, students in all Year 2/3 classes received a recorder as a part of a new program in Mrs Page’s Junior Music classes. Playing an instrument stimulates brain function and we’re looking forward to spending the term improving our skills and enjoying the benefits across the curriculum of learning an instrument.

"These parts of the brain that control motor skills, hearing, storing audio information and memory become larger and more active when a person learns how to play an instrument and can apparently improve day to day actions such as being alert, planning and emotional perception."

FRIENDS OF MUSIC

2017 will be a big year for our Friends of Music team, as we prepare fundraising to enter a vocal ensemble in the Generations in Jazz Festival in May. We’d love to hear your ideas and we’d love to have parent support of our Music Department. Please contact music@stfrancis.catholic.edu.au to become involved.

INSTRUMENTAL LESSONS

Instrumental lessons have begun this week at St Francis. However, it’s not too late to introduce your child to instrumental music. You can find an enrolment form on the Parent Portal on our website. Don’t see your instrument on the list? Talk to us!

CHOIR/ENSEMBLE REHEARSALS

Choir and ensemble rehearsals have commenced this week. In 2017, we are delighted to bring you:

The Generations Vocal Ensemble - Generations in Jazz Festival (Years 7-12)
Music Senior Vocal Choir (Years 8-12)
The Festival Choir (Years 6 and 7)
The Voices Junior Choir (Years 2-5)
The Stars of St Francis Choir (R/1)
Mixed Bag Band (open age)
Heart ‘n’ Soul Band (Years 8-12)
The JBand (R-6)

Most ensembles are open to all

• in our "LinkUp"e-newsletter which is emailed each fortnight
• through the Skoolbag App. Please download the St Francis de Sales College Skoolbag App today on Google Play (Android) or Play Store

Year level and Class News

Staff communicate with each family as needed via class and subject group emails or through a personalised approach eg. One note or Dojo. The College is currently customising these groups emails.

Feedback

Communication is a two way process. We encourage families to email their child’s Home room teacher or info@stfrancis.catholic.edu.au to communicate their feedback.

Social Media

SFDs is active on Social Media and you will find us on Facebook - St Francis de Sales College Mount Barker...please like us! Our Old Scholar Community stay connected through a SFDs Old Scholar Group.

Vanessa Grave
Marketing and Communications Manager

Speed Reminder

A friendly reminder to all families that the driveway leading down to the Junior School is 5km per hour.

Safety of our children is paramount and we encourage all families to respect this by adhering to the speed limit.

Thank you for cooperation with this
students, not just Music students. In 2017, we are looking for committed, enthusiastic students who love to sing and play to join us.

Any queries, please email music@stfrancis.catholic.edu.au.

Yours in music,
The Music Department

Sports News

Welcome all to the 2017 school year, I hope you all managed to have a well-deserved break over the summer holidays. We have had many of our students busy with sporting commitments over the break and it has been great to hear all about them. Please don’t hesitate to contact me throughout the year with any sporting successes as I will be happy to share them with our staff and wider community.

We have a busy Term 1 planned, first up is the 4-6 Swimming Carnival which will be on Friday, 17 February at Mountain Pool. We then have Sports Days happening in Week 6 as well as Knockout Cricket starting in Week 3 for our 8/9 and Open teams.

We look forward to another busy year in the PE Faculty where we can provide many opportunities for our students to have fun and succeed.

Mark Billington
R-12 Sports Coordinator

Women’s Football

Training to be held Monday & Wednesday from 1st February at 6.30pm

At Mount Barker Football Club, Howard Lane Mount Barker

All girls 13 and over are eligible!!

We will have 2 Senior teams and Under 18’s & U/16’s

...join Mount Barker Women’s Football on Facebook...

To express your interest or for more information, please call Frank Howe from the Mount Barker Football Club on 0413 735 716 or email frank.howe2@anz.com

Pedal Prix 2017 Team

The Pedal Prix Team has registered two bikes in the 2017 Pedal Prix Season. Our first meeting was very successful with many parents becoming involved in the many different roles that are needed
Wellbeing

In this week’s newsletter you will find a range of resources and articles for helping your family transition into and achieve a great start to the new school year.

Four parenting priorities for 2017
This article identifies four vital priorities for parents to focus on this year, including technology, mental health and wellbeing. They are current, challenging and important. A great scene setting article to kick the year off for parents.

Making a smooth start to secondary school
Starting secondary school is a time of change and uncertainty, which places new demands on young people. Being at the bottom of the pecking order where they are unsure of the playground hierarchies is just one adjustment that they need to make. Getting used to new subjects and new teachers, as well as forming new friendships, are just some of the requirements of this transition.

Make this year your child’s best ever at school
A new school year means a clean slate for students. At the start of the school year kids are likely to adopt more changes than at any other time. Below are some ideas to help you make the most of the fresh start and make this year your child’s best year ever at school:

- Kidsmatter – Families
- Setting chores for “tricky” kids and teens - the ONE important detail that gets forgotten
- ABC Back to School - Tips for Parents and Students
- Kidsmatter – Starting School
- Top 10 skills high school students need to thrive

Please go to the Parent Portal on the website to view all of these articles.

Carol Jarell
School Counsellor

OSHC

Camp Australia is proud to partner with St Francis de Sales College, providing your children with a safe environment in which they can explore and play.

Dear Parents/Caregivers,

Don’t forget, OSHC can be used for ongoing care or even if you just need us for a few sessions. We will have a wide range of activities on the program from art and craft, physical play, games, cooking activities and heaps more. If there is an activity you would like us to program to help settle your child in on their first visit, we are happy to add your suggestions to the program.

Medical needs:
If your child has medical needs, it is crucial we have these few things;
- Up to date and signed action plan from your doctor
- Medication with prescription label (e.g. on the canister of inhaler for asthma) indicating the name of prescribed child and what the medication is
- All other paper work will be supplied by the OSHC service (feel free to pop in before or after school care)

Service Times: Please remember that Before School Care opens at 7.00am and the children head off to school at 8.30am. If children are with us outside of service times, it poses a risk to the care of your child/ren as we are not liable. After school Care closes at 6.30pm, any time after that you will be charged $1 per minute. Of course if you are unable to collect your child or get someone else to, then please remember to contact me on 0405 433 544.

Uniform

St Francis de Sales College
Uniform Shop

to have our teams run successfully. If your child is in Year 5 to 12 and are interested in Pedal Prix for the 2017 season or if you have any questions, please contact SFdS Pedal Prix Team Manager Kristen Mack via lbb01@optusnet.com.au

Registration forms can be found on our Parent Portal and are due in to College Reception by 28 February, 2017.

On the day:
Attendance: Please remember to book your children using the family portal. If you are having difficulty then you can contact our Customer Service Team on 1300105343. You are able to contact me to book your child/ren in - I add them to the roll manually but that also means I
Term Opening Hours
Monday, 3.00pm to 4.30pm
Tuesday, 8.30am to 9.30am
Thursday, 3.00pm to 4.30pm
Saturday, 9.30am to 12 noon

Please visit our Uniform Shop to place your order as soon as convenient.
Shop contact number: 0423 408 099

Online ordering available through the College Website.

Second Hand Uniform Sale

The January sale was our biggest yet, with $3645 worth of sales (75% of the profits going back to families who sold items and the remaining 25% to the school). It was a busy day with families lined up at the door before 10.00am, wanting to get in quick for the savings! Many thanks to our parent volunteer Emma Stapleton who helped us out!

Our stock levels are gradually increasing as families outgrow uniforms. We currently have a large amount of the House Polo Sports Tops (in every house colour) so if you are needing one please let us know. We still have a few sports shorts and girls skorts (in the larger sizes) available also and lots of boys grey shorts.

If families are still holding onto old uniform items at home, please bring them in and leave them at the College Reception, as we are still boxing up old uniform items to be donated to underprivileged schools and orphanages.

Our next sale will be held during the Term 1 school holidays so please watch out for details in the Link Up.

Please continue to support this valuable service to our school families and leave any unwanted or outgrown uniform items at the College Reception to be included in the next sale.

Anna Jones and Rachel Brazzalotto
Parent Leaders

am unable to take them off. So if you have given me verbal/written consent saying that your child will be attending that day and then they don’t come, you will still be charged.

To ensure the safety of children, please remember to book your child in. If at 2.55pm you need your child booked in but you don’t have time to use the app, then send me a message on 0405 433 544, that way I can ensure we have the correct staff and qualifications working on that shift.

Thank you,
Mikaela Fraser

email: sastrancis@oshccampaustralia.com.au
Mobile: 0405 433 544

Hours of Operation
Before School Care: 7.00am to 8.30am
