Funding for Student Athletes

Acceptance into the St Francis de Sales College Specialist Sport Program in a particular year means that a student has been granted significant extra funding by St Francis de Sales College to cover specialist sport training sessions, venue hire costs, transport to and from training, access to Sport Science services including Fitness Advisors, Performance Analysts, Physiotherapist screening, Sports Psychology advice and diet/nutrition staff.

Annual Fees

As participation in the St Francis de Sales College Specialist Sport Program is voluntary, not all costs will be covered within the budget. An annual fee is set by the St Francis de Sales College Board and contributes to costs associated with the program covering items such as excursions, guest speakers, celebrations, coaches and equipment use. Some excursions will incur additional costs, especially where accommodation and transport are required. Parents will be given advanced notice of major excursions to assist with planning and budgeting. The fee is as per the College Fee Policy and this amount will be reviewed annually with parents being informed of any likely changes for 2017.

Billeting

A major component of our program is to provide students with the opportunity to be involved in exchanges and overnight excursions with other schools. These exchanges/excursions could include billeting.

Billeting provides students with the opportunity to foster close relationships with other student athlete families with similar interests and also helps to reduce costs of these events. We ask if you are prepared to billet student athletes from other schools, that each family member (15 years and older) at your son/daughter address, complete the Catholic Police Clearance form. A staff member at St Francis de Sales College can complete the 100 point verification with you, submit the forms and pay for any associated costs. An induction for the family will also be a requirement.

You may wish to consider billeting for longer term students from other areas, who will be studying at St Francis de Sales College for 4 of the 5 days during term time only. Home Stay provides a safe and secure environment where the student is included as part of the family. Some of the expectations are:

- Safe, clean and orderly house
- Student to preferably have their own room
- Desk and wardrobe space

Students may only require boarding from Monday after school to Thursday morning as many students may go home for other sporting commitments on the weekend.

Academic records for the previous two years are reviewed with particular attention given to student's conduct, effort and participation comments.
8. **Selection trials:** The panel may attend a game that the applicant will be involved in.
9. If successful at review of academic reports and selection trial, a **school based interview** will be required.
10. Students are notified by letter as to whether their application was successful or not.
11. **IMPORTANT: Progressive and Annual Reviews.** Acceptance into the St Francis de Sales College Specialist Sport Program at a particular Year Level does not lead to automatic acceptance in the following year.
