### ADDITIONAL SUBJECT REQUIREMENT INFORMATION

---

- Students are required to list their elective subjects in order of preference for that particular group. Every effort will be made to accommodate the student's preferred choices; however, timetabling, staffing and resourcing constraints may mean that this may not be possible in every case.
- Students who wish to apply for the Basketball or Soccer Academies must go through an application process. Application forms are available from Mr Billington, Mr Field or the 7-9 Community Office located in U24 of the McAuley Building. Application for either Academy does not guarantee acceptance, therefore students are still required to complete elective choices until acceptance into the specialist program has been determined.
- The Academies will be conducted each week of term on Monday from 1:30pm – 4:30pm and Wednesday from 1:05pm – 1:45pm during Term One and Two for Soccer and Term Three and Four for Basketball. The Specialist Sports Program students will be required to catch up on the core curriculum work that they will be absent for during the two lessons on the Monday of each week.
