Funding for Student Athletes

Acceptance into the St Francis de Sales College Specialist Sport Program in a particular year means that a student has been granted significant extra funding by St Francis de Sales College to cover specialist sport training sessions, venue hire costs, transport to and from training, access to Sport Science services including Fitness Advisors, Performance Analysts, Physiotherapist screening, Sports Psychology advice and diet/nutrition staff.

Annual Fees

As participation in the St Francis de Sales College Specialist Sport Program is voluntary, not all costs will be covered within the budget. An annual fee is set by the St Francis de Sales College Board and contributes to costs associated with the program covering items such as excursions, guest speakers, celebrations, coaches and equipment use. Some excursions will incur additional costs, especially where accommodation and transport are required. Parents will be given advanced notice of major excursions to assist with planning and budgeting. The fee is as per the College Fee Policy and this amount will be reviewed annually with parents being informed of any likely changes for 2017.

Application Process

1. Please complete the attached Specialist Sport Program Athlete Application.
2. Attach photocopies of all **school reports** from **2018**. The student applicant or family should submit ALL this documentation with their athlete application.
3. Remove pages 1-3 (Cover and Information pages) before submitting application.
4. Submit the Athlete Application before the due date (preferably your subject selections interview).
5. The Athlete Application is thoroughly reviewed to gauge whether the student meets the criteria for the program. A key aim is to ensure the balance between **academic achievement** and **sporting excellence** can be achieved. Academic records for the previous year are reviewed with particular attention given to student's conduct, effort and participation comments.
6. Students are notified by letter as to whether their application was successful or not.
7. **IMPORTANT: Progressive and Annual Reviews.** Acceptance into the St Francis de Sales College Specialist Sport Program at a particular Year Level does not lead to automatic acceptance in the following year. Student progress and achievement is **reviewed throughout the year** and requires the student to **consistently** satisfy conduct, academic and sporting criteria.
